

# OrthoOmega®

OMEGA-3 FISH OIL

## Important Facts about Ortho Molecular's Omega-3 Products:

- Omega-3 fatty acids support healthy heart, skin, joints, eyes and immune system!<sup>1</sup>
- Omega-3 fatty acids have also been shown to support development in children!<sup>1</sup>
- Studies have shown Omega-3 fatty acids have helped to increase mood and concentration in children!<sup>1</sup>
- Derivatives of the essential fatty acid linolenic acid, EPA and DHA are omega-3 fatty acids found abundantly in fish oil.
- Burp-Free. Many complain of burping after taking other fish oils. OrthoOmega is burp-free for nearly everyone.
- Our OrthoOmega meets the strictest international trade criteria for trace heavy metal and pesticide concentrations.
- OrthoOmega utilizes USP-verified ingredients.

**While the value of Omega-3 fish oil supplementation is widely known, their quality and potency can vary significantly.**

### Purity.

Ortho Molecular is one of a handful of companies whose fish oil capsules comply with the CRN Monograph. Our entire line of OrthoOmega fish oils is tested for pesticides, heavy metals and contaminants.

### Potency.

OrthoOmega capsules are among the most potent available, providing your patients with the easiest compliance in the industry. Most other products require patients to take up to four times as much to equal a single dose of OrthoOmega. The difference is clear: OrthoOmega fish oils are the best-formulated professional fish oil supplements available.
